- This letter is VERY IMPORTANT – you will need it for your Thai Education (ED) Visa Application.
- Because it may take several days to gain your Thai ED visa, it is a good idea to submit your Application, and if admitted, to receive your Letter of Acceptance or Letter of Invitation, as early as possible.
- Information about the Thai ED Visa application (for exchange students) can be found at <http://bit.ly/2BVlwk0>

KNOW THE DOCUMENTS YOU NEED IN ORDER TO OBTAIN YOUR THAI EDUCATION (ED) VISA:

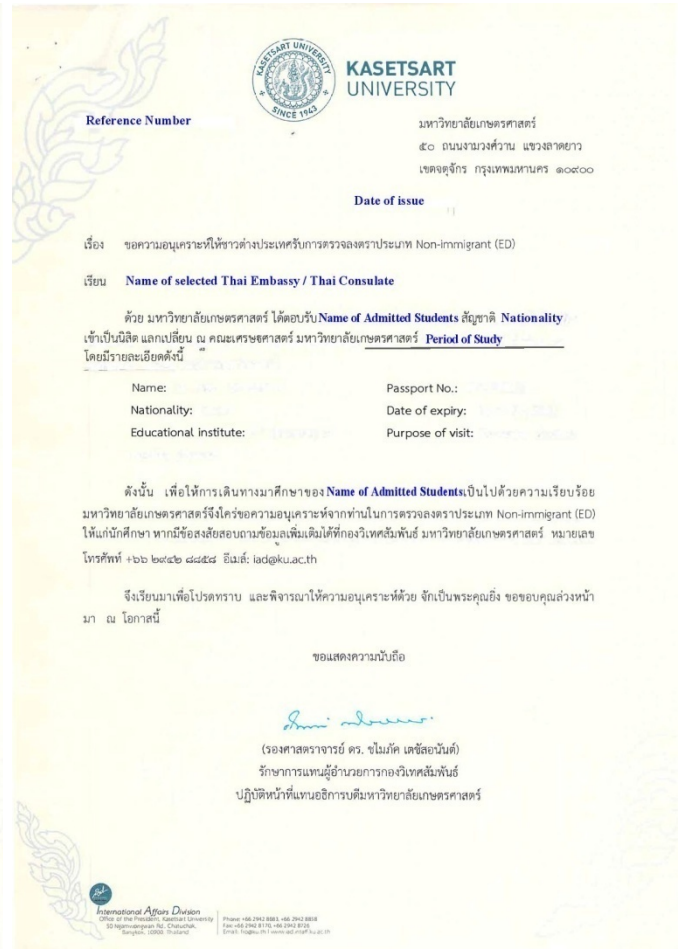

- To apply for your Thai Education (ED) Visa, research the application rules for the documents, fees, and timelines required by the Thai Consulate or Embassy closest to your home.
- The requirements are NOT the same at every consulate.

DOES YOUR CONSULATE REQUIRE ORIGINAL OR SCANNED - NOTE THE FOLLOWING:

- Do you need an **ORIGINAL Letter of Acceptance** sent by international mail? OR, is a **SCANNED Letter of Acceptance** sent to you via email sufficient?
- Please note that Faculty of Economics will send the **ORIGINAL** letter to you by international mail only if REQUIRED by the Thai Consulate or Embassy. It takes longer to arrive so plan accordingly.

6. Course Registration / Personal Study Plan

Course Registration occurs at the ECIA (Faculty of Economics)

Course Registration Period

Semester 1 Fall 2019 5 - 16 August 2019 (Tentative)

- If you are uncertain as to which classes you wish to enroll, you may visit several classes before completing your Final Registration.
- Personal Study Plan - select at least 3 courses per semester (4 or 5 is the normal course load; 7 maximum).
- Personal Study Plan – students from Partner Universities may select from the many courses offered by the Faculty of Economics. You must have the appropriate academic background to enroll in advanced classes (note any pre-requisites listed).
- Personal Study Plan - select alternative courses in case your first-choice classes have a schedule conflict, or if your first choices are canceled (this is rarely done, but it does occur if unforeseen circumstances arise).

7. Credits/ECTS Earned and Class Hours Explained

Kasetsart University uses an academic credit system to monitor students' progress in fulfillment of degree requirements and progress of the students toward completing their program of study.

- Most courses offered by the Faculty of Economics earn 3 credits.
- 1 KU credit is approximately equal to 2 ECTS (European Credit Transfer System); thus, one 3 credit course at KU usually earns 6 ECTS credits.
- 1 KU credit is generally equivalent to 1 USA class credit.
- Class Hours per Class per Semester
15 weeks of classes x 1 class hour (50-60 min) x 3 credits = 45 Class Hours
- Transferability and the number of credits earned are determined by your Home University.
- An Official Transcript showing your matriculated classes and final grades will be sent to you Home University Registrar.

An explanation of KU Course Credit and Grading System can be found:
